

Giving Back to the Communities We Serve

In the wake of the COVID-19 pandemic, we are humbled by our store associates, non-profit partners, and citizens across the globe who are coming together to support those in need. In addition to providing small grants upon request to all our associates, we joined Chef Erik Bruner-Yang and implemented the Charlotte area version of **Power of 10**:

<https://www.powerof10initiativecharlotte.com>

Within the first two weeks after launching, we served 2,000 meals to our staff in need and to many Charlotteans who were graduates of the Community Culinary School of Charlotte

<http://communityculinary.org>

We are trying to continue to raise funds to keep the **Power of 10** going in Charlotte and expand to other restaurants in Charlotte, Greensboro, and Columbia as long as there is a need.

Please consider a donation to this worthy cause by going to

www.powerof10initiativecharlotte.com

and donating a Meal Selection Option.
