

Supporting Our Associates & Customers

We are truly grateful to our associates for the vital services they are providing to our communities during these unprecedented times. In the past several weeks, we have taken a number of measures to help them and our customers stay safe and healthy.

Steps Taken to Keep Everyone Safe

We have reduced store hours, and suspended and reduced some offerings so that associates will have ample time for cleaning, sanitizing and resetting our work areas.

We have increased pickup & delivery service options for customers to help minimize contact and maintain social distancing.

Other steps include taking the temperatures of our associates as they report to work, and requiring them wear masks or other face coverings and gloves at all times.

We continue to advise associates on best practices for maintaining good health as set forth by the CDC to assure a safe and healthy environment for our employees and customers.

We are so appreciative of the work our employees are doing to continue serving customers. Thank you, **#TeamTacoMolino**, for all you do.
